SAAR is altering the stereotype of this practice and establishing itself among the public, this tradition is undergoing a paradigm shift. Our jewelry is crafted from sterling silver with zircon and gemstones embedded. Our work reflects the singularity of their sort. Therefore, SAAR is proudly a silver jewelry flagbearer.

Our jewelry is made and entirely polished in Jaipur, Rajasthan. As Jaipur is renowned for its artistry, the jewelry exemplifies the integrity of the proverb. The whole process, from collecting to customization, is performed in-house.
