Tirupati Agronomics is a Tirupati group affiliation, is the best and leading seedling tray exporter, producer and manufacturer too. In addition. It also provides nursery poly bags, nursery pots and other plant nursery products in the less affordable price crosswise over India. It is set up in 2011 in Indore, India (Madhya Pradesh). Seedling tray and nursery poly bags mostly utilized for plant germination and plant engendering. Later according to prerequisite plant might be moved to somewhere else. They give the best range plastic material compartment which is extremely helpful for little zones, particularly for home
