Shiksha Samadhan is a rank-based college prediction and counselling support platform that helps students make informed decisions about their higher education journey. Using data-driven analysis of previous cut-offs, rank trends, and admission patterns, Shiksha Samadhan guides students on which colleges they can realistically expect based on their rank, category, and preferences. The platform simplifies complex admission processes and helps students understand their options clearly—without confusion or misleading information. Students can use Shiksha Samadhan to explore suitable colleges, compare institutions, and get structured guidance during the admission and counselling phase.
