Nama:Stay is a platform to support highly skilled artisans by connecting them with like-minded people who value their craft and talent. The love for the beautiful local crafts led to this platform which found its origin because of two ideas – keeping the local art and craft alive and being sustainable. It is a woman-led platform for artisans to tell their stories through the craftsmanship of their products like [Chikankari Kurtas](#), [Kashmiri Kaftans](#) and more. Our aim is to bring to you an exclusive curation of Fashion and Decor and make this affordable luxury accessible to the globe. We are on a journey to create a sustainable ecosystem where the exchange is rooted in earth-conscious practices and the empowerment of all.
