Sprint Medical is a digital healthcare provider that offers professional healthcare services. Sprint Medical aims to be a patient's first call for all their healthcare needs. It uses advanced telemedicine technology to provide the best patient experience. Sprint Medical offers nurse-assisted E-Clinics, Online Doctor Consultation, and HomeDoc Services. Sprint Medical is changing the dimension of the healthcare system through telemedicine services. Sprint Medical believes that in the near future, more healthcare services will be provided through telemedicine services in the comfort of patients' homes. The founding team and the Doctors at Sprint medical are making this dream a reality.
