Swell Well Minechem Pvt. Ltd is the best Bentonite suppliers in India and abroad. We have the expertise to supply high quality Bentonite required for our clients from various parts of the world. Calcium Bentonite is an essential component in most of the production units. Hence, we have an amazing amount of raw materials for the production of activated Bentonite Clay. Most of our clients approach us for Bentonite for casting as soon as the need arises.

We have a unique reputation among the Indian Bentonite manufactures. Recently, our reputation has increased due to our client-oriented production of Bentonite powder. We also excel as cat litter manufacturers. Are you looking for a reliable pond grade Bentonite? We can provide you with quality products. Our pilling grade Bentonite has great demands from various parts of the world. Your process of production will become easy if you use our API Bentonite. Hence, we exhort you to contact us for Animal feed Bentonite at any time.
