TaraSafe® specializes in conceptualizing, designing and producing high quality Protective Clothing for various end applications. TaraSafe® was the first to introduce the concept of Flame Retardant protective clothing to the Indian industry. Today Tarasafe® is the largest manufacturer and supplier of Flame Retardant protective clothing in India, with the distinction of successfully executing supplies of these special garments to various Indian industry giants in the Oil and Metal industries. Please visit us : <https://www.tarasafe.com/> for more information about TaraSafe .
