Tex is leading [Engineering Lab Equipment Manufacturers and Suppliers in India](#). We are Civil Engineering, Mechanical Engineering, Electrical Engineering, Electronic Engineering, Electrical Measurements, Air Conditioning & Refrigeration, Analytical Equipments and many more Engineering lab Equipment Manufacturer in India.

We strongly believe that sustainable industrial development of any civilization requires a large number of engineers and technicians adequately trained in art of technology, equipped with operational as well as management skills and embedded with high standards of ethics and professionalism. Also, in order to prepare “Industry Ready” engineers and technicians, their teaching and training courses must be reinforced by hands on laboratory experiments and tools in addition to theory classes. Also, such laboratory experiments and tools must reflect the priorities of existing and future needs of industry and thus teaching/ training programs.
