The British Institute of Engineering Technology (BIET) was established in 1935 in India. We are India's leading educationalists, and across apprentices of multiple age-groups, we mainly focus on varied sections of education. Initiated from the School of Career, London in association with The British Institute of Commerce, BIET has molded the careers of lacs of students in its 81 years of existence. TBIL is one of the leading educators focusing on all diverse education & training sector, thereby empowering the career-aspiring youth with massive boost, infusing their life with the best of their potential.
