Hive is the best [coworking space in chandigarh](#) you can get. It's a fun & casual working space, attracting a community of hard-working creatives, small business owners & start-ups. The brainchild of Akshay and Ankit Dhawan backed by their father Mr Rajiv Dhawan's support. Hive is becoming the most sought after working destination.

"The Hive Co-working Business Center Project is a flexible "to-go-to-work space" for one person or a growing team that fosters collaboration, community, and serendipity. We are a hub for creators and innovators: entrepreneurs, freelancers, geeks, designers, writers, artists, social innovators, startups and even students and organizations looking for an environment that felt more professional than a coffee shop, more interactive than a home office, and more interesting than a table at the public library.

Spaces: Hot Desks, Private Office, Built-to-suit Cabins, Virtual Office, Meeting Room, Event Venue; Prices starting from 4000, including all the services."
