Founded in 1900, Tuflex is a part of the prestigious Murugappa Group, India's leading group of business conglomerates. We have attained the leadership position in the polymer net and knitted fabric manufacturing industry due to its excellent credentials, zeal to excel, cutting-edge capabilities and an unswerving commitment to quality. Over the last 25 years we have been consistently offering products manufactured using state-of-the-art international technology and modern machinery. Our vast experience coupled with a deep understanding of the Indian conditions enables us to customize international designs to our country's specific needs. Our strong market oriented approach, continuous innovation and consistent focus on quality enables us to offer products that adhere to the most stringent quality standards and provide the best value for money. We also offer services including turnkey solutions, design customization, installation & continuous support; for 360° customer solutions.
