UPSC Prelims Mock Test is veritably a pivotal part of prelims medication. It not only makes you break 100 questions in one sitting but also acts as a source of medication. Assessing the mocks correctly is important to get the utmost out of it.

1. Originally, try working the entire paper in one sitting in about 1.5 – 2 hr time. The evaluation may take fresh 1.5 – 2 hr.
2. Don't break content-wise mocks just after modification of that content egg, History mocks soon after reading Spectrum. Marks will be inflated to some extent and you won't get genuine feedback. My strategy was to singly carry out modifications and give mocks in an uncorrelated manner.
