Video Factory, a boutique explainer video company based out of India is a brainchild of Rashika Jain who has a vision to simplify communication with videos. We believe in diversity so multi-culture and curiosity to learn defines our team's essence. We love to understand what is special in a business and then turn those findings into an interesting video. So, is it explainer video, 2D animations, whiteboard animation, business explainers or any other video, we do it all.
