Saraf furniture was initiated in the year 1998, intended to become one of the leading exporters of genuine Sheesham wood made furniture products exclusive of every minuscule to colossal furniture creations. The company has a strict adherence towards aiding its customers a perfect destination for every home decor and furnishing solutions.

With the immense categorization of wide-ranging furniture products, including sofas & sofa sets, Dining sets, storage furniture, etc. Saraf furniture has become one of the best online furniture business entity. The furniture manufacturing is implemented with elegant looks and interior strength from Saraf furniture's professional craftsmen.

Saraf furniture aims to serve its customers with a very broad variety of exclusively designed pure Sheesham wood furniture with top class quality and longevity of the product. We make every piece of our furniture with a machine as well as handcrafted designs with easy and comfortable functionalities. We do not fail to provide that touch and feel factor for the audience visiting our showroom online by deploying a smooth and seamless user interface technically in the website to give customers a real experience. Website categorization and navigation to other links have been done in an easy manner so that utilization of time and making decisions becomes an easy task.

Our anytime support system consists of the customer support team of intelligent and willing professionals to make sure that our customers are dealing with no issues related to us. We also consist of a well trained and skilled profile of logistics team members who delivers and installs every single minuscule to large furniture items without a single defect.

The company withstands every challenge of manufacturing and quality concerns which is the reason why it stands to be one of the best furniture manufacturers and exporters in India
