Take care of your loved ones in the comfort of your home! Star Home Care now offers ECG test at home, ensuring a hassle-free experience anywhere in Delhi/NCR. We combine our personalized care and clinical expertise to provide high-quality and reliable ECG test in the comfort and safety of your home.

The service is ideal for the elderly or whose mobility is impaired or patients who are recovering from a surgery. They require professional assistance to manage their health condition and get diagnostic tests done with convenience. So, if you are looking for “ECG test near me”, trust Star Home Care because we have the best equipment, technology and trained professionals to perform the procedure with efficiency and safety.

Benefits of Choosing Our ECG Services at Home

One of the topmost reasons to choose our ECG service at home is “convenience.” Advanced ECG testing service is now delivered right at your doorstep – anytime and anywhere in Delhi/NCR. This helps you

save significant time and hassle visiting a hospital or diagnostic centre to get the electrocardiogram done. This is especially beneficial for older patients or where mobility is compromised due to injury or a health condition.

Star Home Care is the first diagnostic centre in Delhi to provide Holter monitor test at home. We use advanced and portable Holter machines that are high-quality and medically certified. These are fully automated 12 Lead ECG machines that help us ensure highly accurate and reliable electrocardiogram results.

Additionally, we have a team of highly trained and certified technicians who have the expertise in performing ECG at home. They have the proficiency to use our automated machines safely at home, achieving accurate graphical readings of your heart function.

Looking for a hassle-free and reliable “[ECG test at home near me](#)”? Schedule an appointment at Star Home Care and our expert technicians will reach your doorstep anywhere in Delhi/NCR.
