Danone is a global food company that holds top positions globally through four businesses: Fresh Dairy , Early Life Nutrition, Waters and Medical Nutrition with a combined turnover of 21.9 Billion Euros in 2016 Danone is operating in more than 130 countries across five continents.

About our Nutrition business

Danone's Nutrition business embodies a holistic nutrition approach with products that focus on 1000 days and beyond, offering a full range of products for pregnant mothers, infants, young children as well as adults, under recognized brands like Farex, Protinex, Dexolac and Nusobee. These products are designed to provide the best nutrition at each stage of life. We are committed to encouraging healthy, balanced nutrition for mothers, babies and toddlers through our products, services and support.

Danone is a company rooted in science.

Mission Explained

We Make Every Day Count, for You and Your Baby.

At Danone, we are passionate in our commitment to a healthy start for all babies. We are open to share our knowledge with parents and caregivers, to help them make the right choices for their baby in the first 1000 days, and beyond. We are proud to offer them safe, high-

quality products designed to provide the right nutrition at the right time so they can enjoy a healthy and happy family life together. Danone's heritage of pioneering scientifically based nutrition research underpins everything we do to ensure an outstanding experience for families. We are all devoted to doing this every day.
