We're Nasher Miles. A new-age digital-first brand, committed to making travel easy, efficient, and tasteful for you.

We are a company that's led by individuals who come from diverse backgrounds with one thing in common - their love for travel.

A couple of years ago, on an international terminal waiting for our [luggage](#) on the baggage belt, we realized how monotonous every bag

looked. This seemed like an opportunity to break the clutter and led to the creation of a brand that is driven by nothing but innovation.

Every single piece created at Nasher Miles is designed and engineered to set you apart.
