Advocate Alpa Jogi was born and brought up in the Rajkot City of Gujarat. She completed her LL.B. from AMP Government Law College in the year 2009.

She always possessed an independent and self learning nature from her childhood. And in her Lawyer life also, she preferred the same path. So, instead of taking an easy path of joining any Senior Advocate's office/chamber, she choose the difficult path and started her journey as a Lawyer by a self learning process. During this period, she trained herself by reading the judgments of various courts and attending the court proceedings. She spent sleepless nights by reading and understanding various aspects of laws and judgments.. And having trained herself like this, she than jumped into practice and started handling her own cases at a very tender age. After having practised in

various courts of Rajkot City, she got married in 2014 and shifted to Ahmedabad. Her knowledge, command over law and generous nature helped her to set herself immediately in the courts of Ahmedabad too. With a passion of law, she has successfully completed more than one decade of her practice as an Advocate. She possesses knowledge, experience and expertise in the fields of Divorce, 498A Dowry, 125 CrPC Maintenance, Domestic violence, Civil, Property, Criminal and Revenue Matters and leads an entire team of young and enthusiastic Advocates.
