Apple Foods is a leading manufacturer and supplier of premium-quality flours and food products, headquartered in Ahmedabad, Gujarat. Established in 2006 under the flagship brand "Apple," the company offers a diverse range of products including Besan (gram flour), Maida (refined wheat flour), Suji (semolina), Rawa, Chakki Fresh Atta (whole wheat flour), and Himalayan Rock Salt.

Renowned for its commitment to purity, rich taste, and high nutritional value, Apple Foods ensures that all products are manufactured in sstate-of-the-art facilities and are untouched by hand to maintain hygiene and freshness. The company's dedication to quality has made it a trusted name in households and the food industry.
