Arogyadhama is an integrative medicine hospital with a 350-bed inpatient treatment facility. We integrate [Yoga](#), Ayurveda, Naturopathy, Acupuncture, Physiotherapy, Psychotherapy, and Diet and nutrition. This is essentially envisioned to prevent and treat modern Non-Communicable Diseases, long-term rehabilitation and to promote Positive Health for the last 40 years. We have treated more than 30000 patients and provide a mantra for healthy and stress-free living.
