Asian Superspeciality Hospital is recognised as a **[Best Spine Surgery Hospital in India](#)**, with spine care led by Dr. Bhupesh Patel, a senior and experienced spine surgeon. The hospital follows a complete care approach that includes detailed evaluation, personalised treatment planning, advanced minimally invasive spine surgery, and guided rehabilitation. Treatment is focused on patient safety, faster recovery, and long-term spine health. This transparent and ethical approach has earned the trust of patients from across India.
