Homemate Interiors – Rated India’s best interior designing company in India. Luxury residential & commercial designs by top-rated interior designers. Get free consultation!

Home Mate Interiors is the first interior designing company to be set up at Medak. Our aim is to provide quality interior designing services to our customers who turn up to us from various locations across the country. We truly consider the home-construction journey as a divine thing and certainly understand and respect the emotions that are invested by a customer throughout the phase. We intend to make our customers feel very happy looking at the way her/his home takes a new and rather beautiful shape with our involvement.
