CABELLO WIGS is a trusted name in the global human hair industry, specializing in the manufacturing, export, and supply of high-grade 100% human hair extensions and wigs for women. With a robust production capacity and a customer-first approach, we provide a wide variety of hair solutions to meet both commercial and personal styling needs.

As a direct manufacturer, we ensure quality control from sourcing to final packaging—delivering exceptional hair products at factory prices, with custom solutions and flexible order volumes.

Our Core Products

We offer an extensive selection of hair products tailored for different markets and uses, including:

Human Hair (Remy & Non-Remy): Premium-quality, ethically sourced hair with cuticles aligned for natural finish and durability.
Weft Extensions: Available in Single Drawn and Double Drawn options, designed for seamless salon installation.
Closures & Frontals: High-definition lace products that ensure a realistic look, suitable for protective styling.
Wigs:

Lace Front Wigs

Cap Wigs

Custom-made wigs tailored to specific customer requirements.

Clip-in Extensions: Easy to wear and remove, perfect for users looking for temporary volume or length.

Bulk Hair: Unprocessed loose hair available in natural textures and lengths, ideal for wholesale buyers or wig makers.

Double Drawn Hair: Thick from top to bottom, offering a fuller appearance throughout.

Keratin I-tip Extensions: Heat-sealed strands for long-lasting, professional salon applications.

Hair Toppers: Specialized pieces designed to blend with the scalp and cover thinning areas effectively.
