[Enviroskills Academy](#) has established itself as the best hotel management institute in Lucknow, offering a transformative educational experience for those aspiring to excel in the global hospitality sector. Located in the heart of Gomti Nagar, the academy provides a range of hotel management courses, including specialized degree in hotel management and diploma programs that are accredited by the NSDC. What sets this institution apart is its unique "Earn While You Learn" model, which ensures high ROI by allowing students to earn through guaranteed paid internships at prestigious 5-star properties like Hilton and Marriott.

With a focus on practical training, the campus features state-of-the-art training kitchens, mock bars, and modern labs that simulate real-world hotel environments. Students benefit from an industry-aligned curriculum, expert faculty, and 100% international placement support, opening doors to lucrative career opportunities in over 10 countries. Whether you are looking for a domestic diploma or an international hospitality career, Enviroskills Academy combines Lucknow's rich

cultural heritage with world-class standards to ensure every graduate is industry-ready.
