Glowmax Engineers is a well known company of Maharashtra, India which is mainly dealing in clean room and HVAC products. Started operating the business in the year 2007, our hard work and dedication enable us to become a prominent Manufacturer, Trader and Supplier. We are offering a quality assured assortment of Modular Clean Room Panels, Movable Ladder, O Rab Frame, Pharmaceuticals Equipment, Return Air Risers, SS Storage Lockers etc. All these goods are packed in superior grade material and transported to the final destination by Road & Cargo. While delivering these products, certain safety measures are kept in mind by the logistic personnel so as to safeguard our range from various damages.
