[NM Exports](#) is a leading Indian garment manufacturer and exporter with over 30 years of industry experience. With a fully vertically integrated fibre-to-fashion setup, the company manages every stage of production in-house—from spinning and knitting to dyeing, finishing, and garment manufacturing—ensuring consistent quality and timely delivery for global fashion brands.

Committed to sustainability, innovation, and ethical manufacturing, NM Exports combines advanced technology with global design expertise. The company focuses on producing premium knitted apparel and fabrics while adhering to international quality standards and responsible business practices.
