Pulmovista Clinics is a specialized respiratory care center in Delhi dedicated to comprehensive lung and breathing disorder management. Led by Dr. Dixit Kumar Thakur, an experienced pulmonologist and respiratory disease specialist, the clinic offers advanced diagnosis and treatment for asthma, COPD, chronic cough, allergies, bronchitis, sleep apnea, and other lung conditions.

Equipped with modern diagnostic facilities including Pulmonary Function Tests (PFT), allergy testing, and sleep studies, Pulmovista Clinics focuses on accurate diagnosis, personalized treatment plans, and preventive respiratory care. With a patient-centered approach and evidence-based medical practices, the clinic is committed to improving lung health and enhancing quality of life for patients of all age groups.
