We are based in Dadar, some 100 miles north of Mumbai, where the costs are considerably lower than the major conurbations such as Bangalore, Mumbai and Delhi. We are happy to pass these cost advantages on to our clients. This means that we provide technical support services from as little as £4 (\$6) per hour, depending on the skill levels needed. Software testing is available from £8 (\$12) per hour. Posted ID- decb105
