Shree Sanwariya Computers

Shree Sanwariya Computers is a computer repair and IT services provider based in Udaipur, Rajasthan, India. The company offers a

range of technical services including laptop repair, desktop repair, printer maintenance, CCTV installation, and projector rental for residential and commercial customers.

Overview

Shree Sanwariya Computers operates from S.M. Lodha Complex, near Court Chouraha in Udaipur. The business focuses on providing affordable and reliable computer repair services along with IT support solutions for individuals, offices, and small businesses.

The company is recognized locally for its customer service and technical expertise, particularly in diagnosing and resolving hardware and software issues efficiently.

Services

Shree Sanwariya Computers provides a variety of IT and repair services, including:

Computer and Laptop Repair: Diagnosis and repair of hardware and software issues, including motherboard faults, screen replacement, and system failures.

Desktop Services: Assembly, maintenance, and troubleshooting of desktop systems.

Printer Repair and Maintenance: Cartridge refilling, printer servicing, and repair of common printing issues.

CCTV Installation: Installation and maintenance of surveillance systems for homes, offices, and commercial spaces.

Projector Rental Services: Rental and setup of projectors for events, educational use, and business presentations.

Annual Maintenance Contracts (AMC): Regular maintenance services for organizations to ensure system performance and reliability.

Data Recovery and Virus Removal: Recovery of lost data and removal of malware to restore system functionality.

Operations and Service Area

The company primarily serves Udaipur and surrounding areas, including Hiran Magri, Surajpole, and Court Chouraha. Services are available both at the service center and through on-site support, depending on customer requirements.

Customer Feedback

Shree Sanwariya Computers has received positive customer feedback on various platforms, including Google Business Profile, where it maintains a high rating. Customers frequently highlight the company's quick service, reasonable pricing, and reliable technical support.

Online Presence

The company maintains an online presence through its official website and social media platforms. It is also listed on various business directories such as IndiaMART, Sulekha, and Dial4Trade, which contribute to its visibility and accessibility for customers searching for computer repair services in Udaipur.

Industry Context

Computer repair and IT services play an important role in supporting digital infrastructure for both individuals and businesses. Service providers like Shree Sanwariya Computers contribute to maintaining system efficiency, data security, and operational continuity.
