Spine Infratech is a name synonymous with trust and premium quality. We not just create but inspire and achieve too. A young but experienced design firm with its roots in interaction, innovation, and creativity. The team of talented brains is constantly moving forward by creating a varied palette of textures, forms, shapes, and colors for each project. Over the last couple of years of its existence, Spine Infratech has worked for all types of spaces and magnitudes. Headed by multi-dynamic CREATIVE DIRECTOR ALKA SRIVASTAVA who comes from the fields of interior & product design, management & planning, has changed the definition of interior designing & architecture.
