We, Tasha Industries, are the manufacturer and supplier of quality assured Hair shampoo, Hair oil, Soap, and Handwash. These hair care and personal care products are offered under the brand names Keshrtna, Bio-roots, and Tasha. Our diligent and proficient workforce uses only high-quality natural to formulate these products. This workforce uses ingredients like sandal, lemon, curd, jasmine, aloe vera, almond, wheat, dushi, amla, and strawberry. All of these additives have lots of medical properties and that is why, our products are highly effective in satisfying hair and other personal care needs. Moreover, we also make sure that our manufacturing unit is hygienic and free of dust, dirt, and infection.

These hair care products are offered in those tough packaging materials that can enhance their shelf life and keep their properties intact. We are able to deliver these products to our customers on time.

Established in 1987, we are one of the oldest companies in this business organization. We are based in Ahmedabad, Gujarat, India, and currently, our annual sales figure is INR 4.5 crores. In addition to this, we have 120 distributors on our side.

To gain a strong foothold in this market, we are looking for more distributors. We need state/city/country across the world.
