info@artificialtrees.co.in

Established in Delhi, India in 1996, The Greenhouse has become a renowned manufacturer, wholesaler, exporter, and trader of artificial trees in all sizes, faux bonsais, decorative FRP pots & planters, artificial foliage. We understand the importance of customization and thus provide services according to the customer's requirements. Our team of experienced professionals are committed to delivering products and services of the highest quality at competitive costs that meet global standards.

We are associated with renowned companies across the market to source our range of Artificial Bonsai, Decorative Pots & Planters, Artificial Foliage, and more. Our team of hardworking professionals is dedicated to delivering the best products and services to our clients, keeping up-to-date with the current market trends. Their tireless efforts have earned us a reputable place in the industry. Furthermore, a strong logistics network and wide distribution channels enable timely delivery of our offerings. Additionally, we provide our customers with convenient payment options for added convenience. Thanks to the support of these agile professionals, we continuously strive towards

accomplishing our customers' needs and expectations. Even further, they update available amenities based on modern requirements and take regular feedback from buyers to tailor our products according to their preferences.
