Visakha Knee Clinic in Vizag, led by Dr. V. V. Rajasekhar, specializes in advanced realignment and joint replacement surgeries. The clinic offers joint preservation treatments like High Tibial Osteotomy, PRP, and cartilage repair to delay replacements.

For severe arthritis or damage, they provide total and partial knee replacements with high success rates. With global training and 5,000+ surgeries, Dr. Rajasekhar ensures expert, patient-focused care. Known for trust and excellence, it's one of Vizag's top choices for comprehensive knee treatment.
