Wooplix Technologies Pvt. Ltd. is an innovative technology and digital solutions company based in Punjab, India, dedicated to helping businesses optimize operations and grow. As a Zoho-authorized partner, we deliver expert implementation, customization, and integration of Zoho applications across CRM, finance, HR, marketing, and analytics. We also provide web and mobile app development, custom software solutions, creative website design, and digital marketing services including SEO, social media marketing, content creation, and PPC campaigns. By combining technical expertise with a client-centered approach, we empower businesses to streamline workflows, enhance productivity, and achieve long-term success in the digital era.
