Zoy PG – Smart PG Discovery & Management Platform

Zoy PG is a comprehensive PG discovery and management application developed by ZOYInfinity Hospitality Private Limited. Available at www.zoypg.com, Zoy PG is designed to simplify and transform the PG living experience for students and working professionals while empowering PG owners with advanced digital management tools.

Operating across major metropolitan cities including Bangalore, Hyderabad, Chennai, Delhi, and Mumbai, Zoy PG offers a unique combination of company-owned premium PGs and a curated network of verified partner accommodations. The platform focuses on safety, affordability, transparency, and convenience, enabling users to find hassle-free living spaces with confidence.

Premium Living Advantages with Zoy PG

Zoy PG goes beyond just accommodation by offering lifestyle-driven benefits that enhance the overall living experience. Selected Zoy PG properties provide access to Zoy Gym, promoting a healthy and active lifestyle for residents. The platform also features ZOY Café, offering hygienic and convenient food options. To further delight users, Zoy PG provides gift coupons and exclusive offers, adding value beyond rent and stay.

With 24/7 customer support, Zoy PG ensures that both tenants and owners receive timely assistance for bookings, payments, maintenance, or any operational concerns—making the platform reliable and user-centric.

Dual-App Ecosystem: Built for Owners and Tenants

Zoy PG operates through two dedicated applications to serve different stakeholders efficiently:

ZOY Owner App – Complete PG Business Management

The ZOY Owner App is a powerful management solution designed to digitize and simplify PG operations. It enables owners to manage one or multiple PGs seamlessly from a single dashboard.

Key Advantages for Owners:

· Owners can list an unlimited number of PG properties under one account

· Flexible rent collection into two different bank accounts

· Access to eKYC-verified tenant data, ensuring safety and compliance

· Ability to add and manage floors, rooms, beds, and sharing types

as per business needs

· Smart tenant allocation based on floor-wise, room-wise, bed-wise, and sharing-wise configurations

· Real-time dashboard with revenue reports, business insights, total vacant beds, and notice period tracking

· Complete visibility into transaction history and pending dues

· Track upcoming tenants and move-ins effortlessly

The ZOY Owner App helps PG owners reduce manual work, improve transparency, and increase operational efficiency while scaling their business digitally.

Zoy Tenants App – Easy, Transparent & Hassle-Free Living

The Zoy Tenants App is designed to provide a smooth and convenient experience for students and professionals searching for PG accommodation.

Key Advantages for Tenants:

· Browse rooms, rent details, and amenities directly within the app

· Book PGs for upcoming dates and join directly without delays

· Make secure online payments easily through the app

· Manage bookings and rent payments without visiting the property repeatedly

· Submit notice period requests digitally when planning to vacate

· Receive deposit refunds through the app during PG vacating process

The tenant app eliminates paperwork, confusion, and delays, ensuring a transparent and stress-free stay from move-in to move-out.

Conclusion

Zoy PG is not just a PG booking platform—it is a complete digital ecosystem that connects tenants and PG owners through technology, trust, and transparency. With premium amenities, reliable support, and powerful management tools, ZoyPG is redefining PG living and operations across India’s major cities.
