Dr. Bindu Garg is the [best IVF Doctor in Gurgaon](#). She has an overall 42+ years of experience (38+ years as a specialist) in infertility and obs-gynae treatment. She practices at Neelkanth Hospital Gurgaon, and World Infertility & IVF Centre, Delhi.

One of her major achievements was giving Gurgaon its first IVF baby in 2003. Throughout her career as an IVF specialist, she has helped deliver more than 20,000 babies through in vitro fertilization procedures.

Along with IVF treatment, she also has expertise in treating infertile patients through other ART (Assisted Reproductive Technology) procedures such as IUI (Intrauterine Insemination), and ICSI (Intracytoplasmic Sperm Injection).

She is also an obstetrician-gynecologist and provides treatments for issues such as ovarian cysts (fibroids), menstrual & menopause problems, PCOS/PCOD, and adolescent problems. She also manages normal delivery, high-risk pregnancy, and gynecological surgeries like laparoscopy, and hysterectomy.

Dr. Bindu Garg has played an important role in treating the infertility of couples who are facing difficulty in conceiving a child. Through IVF / IUI / ICSI procedures she has helped many couples become parents. Her contribution to the field of reproductive science and medicine is always commendable.

With her exceptional medical skills, empathetic nature, and commitment to patient care, Dr. Bindu Garg has earned the trust, love, and respect of her patients. Thus her experience, knowledge, and achievement in the field of reproductive science make her the best IVF

doctor in Gurgaon, India.
