Catmac Group is India's first beauty curation brand, focused on creating sustainable, ethical, effective, and cruelty-free products that add a personalization component in the field of beauty and wellness with organic and genuine ingredients.

CatMac Product Line includes care for the face, hair, body, and much more. It offers shampoo, conditioner, serum, hair oil, hair mask, face wash, facial kit, body wash, beard oil, beard wash, beard softener, and many other products.

The CatMac beauty and hair care products are formulated with ingredients derived from potent plants, organic and essential oils. They are designed to address problems associated with hair, scalp, and skin mainly. Also, CatMac beauty products do not contain parabens, sulfates, SLS, or SLES. All of our unique compositions come from nature and are crafted with traditional ayurvedic wisdom to offer you the most effective health products on the market.
